

I do not listen to AM or FM radio because of the mindless jibberish by the radio announcers. Now you want to restrict my use of the service I pay for; ESPECIALLY THE TRAFFIC AND WEATHER CHANNELS. PLEASE DO NOT DO THAT. satellite radio provides variety and quality that are not available elsewhere. i pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.
